

## Country's Largest Corporation

Akij Group, an eminent and renowned industrial conglomerate has been working in Bangladesh for more than half a century. The Group offers a variety of products that has a positive impact on the lives of people in Bangladesh. It also plays an important role in country's socio-economic development.

## Akij Bakers Ltd.

Akij Bakers Limited (ABL) a new business concern of Akij Group commenced its operations in 2020. Akij Bakers Limited ventured into bakery business by producing top class products like biscuits, cookies, cakes, wafers, bread and buns. Since then, it thriving to produce innovative, healthy and delicious products ever since considering the taste of the people of this land.

## Our Brands

Nothing compares to having biscuits or cookies over a cup of afternoon tea, or taking a quiet break in the afternoon, chatting with friends or watching movies at night. However, all biscuit companies are currently in the market have historically paid less attention to product innovation and worked with less with consumer tastes. People believe that life is about creating incredible moments that will stay in their minds for a long time. With the perfect biscuit flavor from Akij Baker's all these moments can be cherished. 160 million people in our country now have a new taste that they can crave for.

Akij Bakers Ltd. is an ISO 45001:2018, 9001:2015, 14001:2015 certified company which is also compliant to HACCP, FSSC, GMP in order to maintain good manufacturing practices and produces best quality products for their consumers.
